

SENIOR SCHOOL CURRICULUM SUPPORT PROGRAM

Live up your curriculum with something completely new and different. The Gold Coast Wake Park's senior school program can provide support to both the Australian Curriculum (ACARA) and Queensland Curriculum (QCAA) subject learning areas including:

- Health and Physical Education (ACARA)
- Technologies and Science (ACARA)
- Tourism, Business Studies and Business Management (QCAA)
- Engineering Skills and Engineering Technology (QCAA)

ENGINEERING, SCIENCE & TECHNOLOGY

The state-of-the-art German-engineered cable system has thousands of moving parts to keep the operation quiet, smooth and safe for decades. Students can learn what it takes to operate and maintain a wake park and infrastructure – including environmental management, cable motor systems, support structures and over 1 km of cable. Our engineering design can provide support to the following curriculum learning areas:

- Design and Technologies (ACARA) (Yr 7 & 8)
 - Motion, force & energy (ACTDEK031)
 - Materials, components, tools and equipment (ACTDEP035)
- Design and Technologies (ACARA) (Yr 9 & 10)
 - Force, motion & energy (ACTDEK043) & Design ideas (ACTDEP049)
- Physical Sciences (ACARA) Year 9
 - Energy transfer (ACSSU180) & Earth and Environmental Science (ACHGS049)

TOURISM, BUSINESS STUDIES & HOSPITALITY

We are the Gold Coast's newest attraction, and have a strong business plan to turn people's focus from theme parks to the wake park. We have a fully licensed café and awesome retail shop. What's more, we have rich story of the trials and tribulations about getting the park through the council's Development Assessment processes to be operational.

HEALTH AND PHYSICAL EDUCATION

ACARA Years 7 and 8

Overview: Students can explore the role that games, sports, outdoor recreation, lifelong physical activities, and rhythmic and expressive movement activities; play in shaping cultures and identities. Related focus areas include:

- Health benefits of physical activity (HBPA)
- Safety (S)
- Challenge and adventure activities (CA)
- Games and sports (GS)
- Lifelong physical activities (LLPA)

Content Descriptions:

- Personal, Social and Community Health
 - Being Healthy, safe and active (ACPPS073)
- Movement and physical activity
 - Moving our body (ACPMP080)
 - Understanding movement (ACPMP085)
 - Learning through movement (ACPMP088)

ACARA Years 9 and 10

Overview: Students analyse how participation in physical activity and sport influence an individual's identities, and explore the role participation plays in shaping cultures. Related focus areas include:

- Health benefits of physical activity (HBPA)
- Safety (S)
- Challenge and adventure activities (CA)
- Games and sports (GS)
- Lifelong physical activities (LLPA)

Content Descriptions:

- Personal, Social and Community Health
 - Being Healthy, safe and active (ACPPS091 & ACPPS092)
- Movement and Physical Activity
 - Moving our body (ACPMP099)
 - Understanding movement (ACPMP102)
 - Outdoor recreation and sport (ACPMP104)
